Las Vegas, NV 89128

Dear Ms. Phillips:

Thank you for completing and implementing the corrective action plan that resulted from the Administrative Review of the National School Lunch Program (NSLP) at Doral Academy November 29, 2017 through November 30, 2017.

The corrective action plan has been provisionally approved for Doral Academy. Doral Academy does appear to have exceeded its three-month operating expenses budget for its nonprofit school food services account. An email request for a final income statement for the nonprofit school food services account for the 17/18 SY was sent on July 20, 2018. Once this has been received and reviewed, the review will be considered closed.

Thank you again for your continued efforts to provide nutritious meals to the youth at Doral Academy.

Best regards,
